2015 DETACHMENT OF THE YEAR  
DECEMBER 2017 \* Volume 4 \* Issue 11

## COMMANDANT'S MESSAGE: by Larock Benford

### MCL Detachment 1057 Warriors

The holiday season has attacked us & we were & are ready for its frontal assault. Our first official meeting on 28 October at **Wildomar VFW Post 1508** was hugely successful. We had 30 members and 4 guests on deck that enjoyed a productive 1 hour & 10 minute meeting that followed with a tasty breakfast. We had 1<sup>st</sup>-time guests **Bob Horn (Sponsored by Scott Burris)** & **David Munoz (Sponsored by Nick Vultaggio)** on deck. They both would later fill out their membership application and pay their dues. We will swear them in & welcome them aboard at our upcoming meeting. As you can see, recruiting is an on-going responsibility that we all share, so keep on recruiting. With that said, I hope to have a former **Staff Sergeant and a retired Sergeant Major** come onboard. Other good news, **Gunnery Sergeant Marcelo "Speedy" Gonzalez, Jr., Tereza Lepore, & David Munoz** all paid for Life Membership! Also, during our October meeting, we had a few members bring in new unwrapped toys in support of **Toys for Tots**. We hope to collect more at our November meeting. Additionally, we collected the following:

Opportunity Drawing Raffle	\$178.00
Scholarship Fund	\$108.00
Coffee Fund	\$ 9.00

## CHAPLAIN'S MESSAGE: by Scott Burris

On December 24th, 1944 around the time of midnight Allied and Axis Forces faced each other across a battlefield in Europe. Fighting had been fierce with artillery and air support. Being that far north, night had come early and with it a growing silence. Rifles stopped shooting. Shells stopped whistling overhead, bombs stopped falling. And by the time midnight rolled around, both sides were completely silent. Despite the need for sound integrity on a night when the air was so crisp that sound could travel across dozens if not hundreds of miles, and could be accurately triangulated to its position of origin, a soldier broke out a harmonica and began to play. Instead of being "shushed" by his fellow soldiers, he was allowed to continue. Instead of being shot at by the enemy, he was allowed to continue. His music grew louder and bolder.

## COMMANDANT'S MESSAGE: by Larock Benford (Continue from page 1)

Remember, we have **"no December meeting"**! I hope you all enjoyed your Thanksgiving and the upcoming Christmas & New Year! Officer nominations are open at our Saturday 27 January meeting. We elect a **Commandant, Senior Vice Commandant, Junior Vice Commandant, and the Judge Advocate**. All other positions are appointed by the Commandant. We are also looking for a Newsletter Editor to replace Tonya's big shoes. If you are a multi-tasker, imaginative, and computer literate, this is the position for you.

Our **Senior Vice Commandant, Tony "Doc" Borges**, will have the new address labels to place on any of our/your existing MCL recruiting business cards and existing brochures you may have. However, he also has the new business cards & the new brochures should be in by this upcoming November meeting. With luck, we should have out MCL Detachment 1057 Challenge Coin by this upcoming November meeting.

Also Sonoma County California Wines with our "MCL Detachment 1057" Label has been ordered and is awaiting pick up by me or someone else that will be heading to the San Francisco area.

**Welcome Aboard: Bob Horn, and David Munoz.**

Let's keep the momentum going as we enter a new year. I look forward to seeing you all in 2018. Take care and remain Semper Fidelis!

### The Ruger Mini 14 Ranch Rifle Raffle Ticket Fundraiser

Our goal was to sell at least 500 tickets by 24 February 2018, the day of the drawing. This is definitely a realistic goal and we are closing in on it! I am proud of our efforts so far but we still have work to do. Humbly, I must say that I have already sold & handed over to **Sandy Wiggs** at least 110 ticket stubs and the accompanying \$1,100. I will admit I used every advantage I could possible use.

During **1<sup>st</sup> Marine Division Association's** event, everyone I attacked purchased at least 1 ticket. When I ran out after selling at least 40, I continued my frontal assault using the picture flyer to allow the person to view the rifle. Once they bit, I wrote down their name, their cell #, how many tickets they wanted, and **graciously** took their money. Once I replenished my tickets, I snapped a picture of their ticket & sent it to them. I then made a tactical error by not picking up enough tickets from Sandy when I returned from Oceanside because that night was the **VFW Post 4089's** MC Cake-Cutting Event. It was a full house of motivated partying Marines & Veterans.

I quickly ran out of those recently picked up tickets, selling 40. Intelligently, once again, I implemented my previous procedure of writing down their pertinent information. Here is what I know concerning ticket sales: **Lynn Mattocks** has sold at least 25, **Doc Borges** 17, **Tom Mattocks** at least 20, **Jesus "Chuy" Ramirez** 10, **Ed Wiggs** 10, **Wiggs' relative Nychole Taft** 20, **David Munoz** 10, **John Hernandez** 10, **David Barragan** bought 10, and **Gene Evans** has sold his 10. I know others like Gene & John have already sold their 10; however, have not dropped off the stubs and money to Sandy.

Keep pushing all – UURRHH!

## CHAPLAIN'S MESSAGE: by Scott Burris (Continue from page 1)

Voices began to join the whine of the harmonic sound, from both sides, soldiers recognized this as a miracle and began to sing, each in his own language:

*"Silent Night. Holy Night. All is calm. All is bright. Round yon virgin Mother and Child.  
Holy so infant so tender and mild. Sleep in heavenly peace! Sleep in heavenly peace."*

At that miraculous moment. In the concluding days of *World War II*, in that place of battle, there were no *Catholics vs Protestants*. There were no *Jews vs Christians vs Muslims*. There were no *Atheists*. No one got upset about the words of the song not representing THEIR particular belief or lack of belief. *Germans*, singing with *French*, singing with *British*, singing with *Italians*, singing with *Dutch*, singing with *Americans* in that Western Front battlefield, all sang with one voice that night.

A fellow human being smiles as they approach you and extends a hand, or starts a bow, their greeting is extended and the intention of "*Peace*" and "*Welcome*" is being communicated even before they speak, yet they go the extra step and offer a verbal greeting, "*Happy Holidays!*". It is at moments like these when we can put aside our differences and accept the spirit behind the greeting. No matter which verbal greeting has just been smiled and extended to us, we can respond with our own gracious reply, and allow the season to remain a Silent night where all is calm and bright.

*Happy Thanksgiving Marines! Have a Merry Christmas and a Happy New Year!*

## UNIFORM REGULATIONS

The one item that all members of the Marine Corps League must wear at meetings or official functions is the MCL Cover, with Gold Eagle, Globe, and Anchor (EGA) Cap Ornament, or the Associate Member's Cap Ornament. That is the main/official requirement.

### An excerpt from National Bylaws UNIFORM CODE-MARINE CORPS LEAGUE ENCLOSURE THREE (3): "V MARINE CORPS LEAGUE COVER

- A. The basic uniform of the Marine Corps League is the *unique cover that identifies the members of the Marine Corps League*. Because all other parts of the uniform that are designated in this enclosure are optional, *the cover remains as the "only" consistent identifier for Marine Corps League members*, which is why the cover is worn indoors at appropriate Marine Corps League functions. *When Marine Corps League Members are wearing the appropriate cover, they are considered to be "in uniform"*.

### NO OTHER TYPE OF COVER MAY BE WORN AT A MARINE CORPS LEAGUE FUNCTION OR MEETING

- B. All members of the Marine Corps League are authorized to wear the **RED COVER**.

## Marine Corps Ball, Toys for Tots, and the Holiday Season: by Larock Benford, Commandant

November means the *Marine Corps Ball, Toys for Tots, and the holiday season*. I trust you all experienced a Marine Corps Ball or Cake-Cutting Ceremony. Some of our members got an early start on the Marine Corps Ball season by being guests of the *Temecula Valley Young Marines (TVYM)* at their Birthday Ball onboard Pechanga. *Theresa & Frank Aguilar, Jean & Don Krampe, and Dottie Skidmore* all had a great time. I believe *Rita Nastri & Bob Cleary* attended *Murrieta Valley HS MCJROTC's* ball. Veterans' Day activities at Murrieta Veterans Memorial Park had a USMC Birthday Celebration & Cake Cutting event at the Rotary tent, which many of our docents attended. Also, both *Temecula Valley VFW Post 4089 & Wildomar VFW Post 1508* had their respective Cake-Cutting Ceremonies. *John Hernandez, Dave Barragan, and Larock Benford* spearheaded Post 4089's ceremony. *Paul Kraxberger* was on deck. I recall seeing *Jesus "Chuy" Ramirez, James "Chino" Pereyra, Tony "Doc" Borges* & maybe *Nick Vultaggio*. I know *Scott Burris, Paul Bessette, Lynn Mattocks & his wife Susan*, attended Post 1508's. Both Posts were stacked with Marines & other military servicemen & women. It was definitely my highlight, as well as being the Guest of Honor & donning my uniform for *Chaparral HS NJROTC's Navy & Marine Corps Ball* Celebration. Special thanks to *Senior Chief McGovern & Lieutenant Colonel Bishop* for the invite.

## MCL Logo Magnetic Vehicle Signs: by Larock Benford, Commandant

I have to tell you a story about a fellow *Marine/business owner/Temecula Valley VFW Post 4089 member, Colin Ford*. Doc Borges informed me we only had 2 MCL logo magnetic vehicle signs. I knew we were authorized 3 vehicles for the parade. On the Tuesday prior to Saturday's Veterans Day Parade, I immediately contacted my friend Colin, of *Ford Signs, Inc.* I sent him an email with the pertinent info. On Wednesday, I had to resend him the file because I sent him an incompatible file. Somehow while he was still on vacation in Vegas, his company accomplished the mission late Friday afternoon. I just arrived in Menifee after driving from Oceanside, attending *1st Marine Division Association's* Marine Corps Cake-Cutting Champagne Brunch when Ford Signs, Inc. contacted me. I informed them I would not be able to drive back down to Oceanside to pick up the signs because I needed to be at a Cake-Cutting Ceremony onboard *Temecula Valley VFW Post 4089* by 1800. By the time I eventually arrived at the Post, somehow, one of his employees already dropped off 4 "Southwest Riverside County, Marine Corps League Detachment 1057" (including the logo) magnetic vehicle signs. *That's Marine perseverance & a can-do attitude!* By the way, the owner Colin refused to charge us!

*4 Magnetic Vehicle Signs. A Generous Donation from a fellow Marine/business owner/Temecula Valley VFW Post 4089 member, Colin Ford, of "Ford Signs, Inc."*

## Murrieta's Veterans Day Parade: by Larock Benford, Commandant

Veterans Day was a busy day for some of us. For Murrieta's Veterans Day Parade, we had *Tony "Doc" Borges'* vintage vehicle in the parade with *Red Schrader, Ed Wiggs, & Don Krampe* in his vehicle. *Paul Kraxberger's* truck was also in the parade with me driving, *Paul Kraxberger, Paul Bessette, and Master Sergeant (Ret) Lynn Mattocks* in his Dress Blue "A's" as passengers. *Nick Vultaggio* was in the parade representing & wearing his Knights of Columbus attire and *Waco Merchant* was in the parade representing us and his WAVES organization. *Clark Pace* was on deck too. It was a great time waving our flags and acknowledging the admiring fans stretched throughout the parade route. Some of us had another commitment at an event called Freedom Jam, which recognized 30 or so Veterans. *Paul Kraxberger, Paul Bessette, Ken Lepore, Waco Merchant, Nick Vultaggio*, and I were amongst that group to be recognized and awarded. Special thanks go out to *Tony "Doc" Borges* because he came out to support us and better yet, he fed us out of his own pockets when we all became famished.

## Low Rider Event: by Larock Benford, Commandant

4 November, **Paul Kraxberger** and **Larock Benford** attended VFW Post 4089 to support its **Low Rider Event** and represent MCL Detachment 1057. That event's proceeds went to Veterans. Later on, Paul drove to the **Amber Waves of Grain Beer Festival** in Support of American Veterans event at The Shops at Dos Lagos, Corona. **Ken Lepore, Ed Wiggs, & Jesus "Chuy" Ramirez** were on deck to set up our tent. **Larock Benford**, would show up later & stay till closing & help **Jesus "Chuy" Ramirez and Ed Wiggs** tear down our area. **Nick Vultaggio and Charlie Cram** were on deck too.

## Murrieta Veterans Memorial Park: by Larock Benford, Commandant

We had a good showing at **Veterans' Day activities at the Murrieta Veterans Memorial Park during the week of 6-10 Nov.** Kudos goes out to **Ken & Tereza Lepore, Don & Jean Krampe, Dottie Skidmore, and Charlie Cram.** They served as Docents and educated the youths as they rotated throughout all sites/stations. **Ed Wiggs and Paul Kraxberger** arrived on deck to assist as needed, also.
